You can help *The Voice of the Martyrs* take the message of the persecuted church all across Canada by having the AIR MILES you earn through your everyday shopping credited to an account especially set up for VOM!

Many people let their AIR MILES rewards go uncollected for a number of reasons.

The two main reasons are:

1. They don't intend to book a flight.
2. They think it will take too long to accumulate the required number of AIR MILES to make it worthwhile.

VOM is grateful to the AIR MILES program for allowing you to collect AIR MILES for our ministry's use. Together, with VOM supporters all across Canada, these AIR MILES add up quickly and enable us to reduce our travel costs!

The savings on airfares can be used in a more practical way to help our suffering brothers and sisters around the world. Also, because of this program, VOM is able to travel to more places in Canada with the latest news on the persecuted church.

You will have the satisfaction of knowing your everyday purchases are earning AIR MILES and also being put to good use. It's a wonderful way to help others through this very practical program. **It will make a difference in many lives as a result!**
