

Table Talk

Ethiopia

Bees and their beehives play an important role in Ethiopia's agrarian society. Discover more about bees as you draw a line to match each bee to its same-coloured fact. You must connect each bee and its matching hexagon without intersecting another bee's line. The entire highlighted honeycomb must be used.

Definitions

Addis Ababa – The capital city of Ethiopia.

Tewahedo – The Ethiopian Orthodox Church.

Habesha – The unifying word to describe all people in the region, regardless of ethnicity or tribe.
