

TABLE TALK NIGERIA

FINDING COMMON GROUND

How to Play: Complete the maze by finding the lowest common denominator between the two fractions. Follow the answer's path to collect cooking ingredients. An answer key, along with a printable recipe, is available at: vomcanada.com/TableTalkNigeria

Start!

The unlike fractions in the maze cannot be added together without first finding the common denominator. In the same way, when we share our faith with others, we must find common ground before we can effectively reach them.
